This is our schedule as of September 8, 2021. Please note that there may be changes to the schedule.

In accordance with guidelines from the state and county, we ask that all of our students and their families wear a properly fitted mask in the courtyard and in the building at all times. We are currently offering classes onsite as well as by Zoom.

Having said that, all students who wish to come to class onsite must register with the office so that we can make sure we have enough room for everyone.

Also, please note that students must arrive on time for their class (which means a bit early to accommodate hand-washing and temperature screening), as we have scheduled all of our classes to allow for distancing and cleaning and late students will not be admitted once the class has begun.

Also, please note that our bathrooms are still unavailable to our students. We ask dancers to be mindful about only using them if absolutely necessary. Be sure to go at home before coming to class. (Sorry, non-dancing family members will not be allowed in to the Dance Workshop facility, even for the restroom).

**** Means that this class is double-booked and that the class with the most tuition sign-ups will run.**
